***Allowable Subject Matter***

Claims 2-3,5-8,10-11 and 13-18 are allowed over the prior art of record.

The reasons for allowance for claims 2-3,5-8,10-11 and 13-16 can be found in the prior office action mailed to the Applicant on 8/8/06.

The following is an examiner's statement of reasons for allowance for claims 17-18:

With regards to claim 17, the prior art alone or in combination fail to teach or fairly suggest a plurality of header parts, associated each with a respective one of the plural external information processing terminals, each of the plural header parts for being added to the main data and including transfer destination information of the main data, and a plurality of data transfer descriptors, associated each with a respective one of the plural external information processing terminals, each of the plural data transfer descriptors being for requesting transfer of the main data to the respective one external information processing terminal in combination with the other elements in the claim.

With regards to claim 18, the prior art alone or in combination fail to teach or fairly suggest a plurality of header parts, associated each with a respective one of the plural information processing terminals, each of the plural header parts for being added to the main data and including transfer destination information of the main data, and a plurality of data transfer descriptors, associated each with a respective one of the plural information processing terminals, each of the plural data transfer descriptors being for requesting transfer of the main data to the respective one information processing terminal, in combination with the other elements in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the
